ACCESSIBILITY AND ACCOMMODATIONS

Resource Center for Persons with Disabilities (RCPD)

517-884-7273
rcpd@msu.edu

The Resource Center for Persons with Disabilities (RCPD) works to create an inclusive MSU environment by working with students, faculty, and staff experiencing disability (physical, medical, and/or mental condition that substantially limits major life activities) related barriers to identify reasonable accommodations and other potential supports.

Cost: Consultation fees apply and payment is due the day of service.

HEALTH PROMOTION

Alcohol and Other Drugs (AOD)

The Alcohol and Other Drugs program empowers individuals with education, resources, and support to make informed decisions and reduce the risks associated with substance use.

Availability: ◆◆◆

Cost: Several services are free, while others may incur a fee.

Collegiate Recovery Community (CRC)

recovery@msu.edu

Collegiate Recovery Community supports students who are in or seeking recovery from substance use disorder, as well as allies, to empower students to thrive in the fullness of the college experience, free from alcohol and other drugs. This includes 24/7 lounge space, weekly peer support meetings, sober community connection events, recovery housing, and more.

Availability: ◆◆◆

Cost: Most services and events are free. Recovery Housing is priced at the standard University room rate.

Sexual Wellness

The Sexual Wellness program offers education and resources that promote sexual health and well-being. On-campus students can also request safer sex supplies, delivered discreetly through campus mail.
