Question 1:

What do you want people to know about being a disabled student at MSU?

Question 2:

What does access in higher education mean to you?

Question 3:

Do you see your disability as an identity with positive experiences attached to it?

Question 4:

Is there a positive experience you've had with an instructor or peer that relates to your disability or accommodations? What should others take away from this experience?

Question 5:

If you could tell MSU leadership to make one change with regards to accessibility, what would you ask for?

Thank You!
