

## RESIDENTIAL COLLEGE IN THE ARTS AND HUMANITIES SPARTAN EARLY START SCHEDULING GUIDE 2023

**Please note:** This program is only available to a limited number of students, so we can provide this opportunity on a first-served basis as course enrollment space remains available. All listed courses have limited room in them, so spaces in each course are also allocated by first-come, first-served. YOU MUST MEET THE PREREQUISITES FOR THE CLASSES YOU CHOOSE.

**Students with AP or Transfer Credit:** Please be sure to indicate on your application which courses or tests you have taken, even if you do not yet have a score.

Advance credit: <https://admissions.msu.edu/apply/first-year/advanced-credits>

Transfer credit: <https://transfer.msu.edu/>

**Honors students:** Note that you will take alternative courses to full MSU University Requirements. See the Honors College Advising sheet for guidance.

### RCAH Undergraduate College/University Requirements

|          |                                                                                                                                                                                                                                                 |
|----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ISS 2**  | Fulfills first of two social science requirements for all majors; not recommended for honors college students.                                                                                                                                  |
| ISS 3**  | Fulfills second to two social science requirements for all majors; not recommended for honors students or first-year students without previous college credit.                                                                                  |
| ISB 202  | Fulfills general biology requirement; not recommended for honors college students.                                                                                                                                                              |
| ISP 203A | Fulfills general physical science requirement; not recommended for honors college students                                                                                                                                                      |
| UGS 201  | Can fulfill serve as either an ISS requirement for eligible Academic Scholars; must apply to the program: <a href="https://honorscollege.msu.edu/programs/asp-ace-program.html">https://honorscollege.msu.edu/programs/asp-ace-program.html</a> |

### Undergraduate Course Guide

| Satisfies requirements                                                        | Popular Electives                                                                                                                                                                                   | Not recommended    |
|-------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| MTH 101                                                                       | CAS 110                                                                                                                                                                                             | AT 202             |
| MTH 102                                                                       | CAS 205                                                                                                                                                                                             | IAH 2** any course |
|                                                                               |                                                                                                                                                                                                     | LB 270             |
| All RCAH students need 9 credits outside of the college at the 300/400-level. | All other classes on list are possible electives or could serve to support minors. RCAH students might consider classes from the Colleges of Arts and Letters and Communications Arts and Sciences. | MTH 103 or higher  |
|                                                                               |                                                                                                                                                                                                     | WRA 101            |
|                                                                               |                                                                                                                                                                                                     |                    |
|                                                                               |                                                                                                                                                                                                     |                    |
