GO GREEN! LETTER BANNER

1 letter flag per sheet

SUPPLIES:

Scissors, glue stick or tape,
string or ribbon

DIRECTIONS:

- Trim along the dotted lines.
- Fold along the solid grey line to create the flap.
- With your letter flag face down, place your string into the flap crease. Pull the flap over the string until it touches the back of the letter flag.
- Use a glue stick or tape to secure each flap in place before adding the next letter flag to the string.

Sparty's tip: For another idea, trim the flap off and tape the letter flags directly to photo boards, walls and more.
