

LET'S CELEBRATE!

**SIGNATURE BOARD ART**  
10-inch message to apply to mat board

**SUPPLIES:**

Scissors, glue stick or spray glue, foam board (foamcore) or stiff mat board

**DIRECTIONS:**

- Using scissors, cut out the message art.
- Glue the message to the center of your board.
- Place completed boards throughout your party space and ask attendees to write messages for the new Spartan.

**Sparty's tip for supporters:** Save the boards and text photos of the messages to your Spartan throughout their first year. It's a quick way to remind them that they've got this and their loved ones are cheering them on.
