We are pleased to invite yo to participate in the Sixth Regional Asian American Student Conference, hosted by the Asian Student Union and the Office of Multicultural Affairs of the College of William & Mary. The theme of this year's AASC, to be held January 28-29, 1994 will be "Now That the Future is in Our Hands...", Topics to be discussed will range from the role of Asian Americans in the U.S. to racial harmony. The newly constructed University Center will serve as the site of the conference's workshops and Panel Discussion.

We will be holding a Corporate Career Fair throughout the duration of the conference. Past contributors to this Career Fair have included the Prudential Insurance Group, Philip Morris, INc., Anheuser-Busch Corp. and AT & T. We ask that students interested in career opportunities and internships submit a resume by December 10, 1993 to be included in our resume booklet. Booklets will be distributed to all corporate sponsors prior to the conference. This will be an excellent opportunity for students to get acquainted with company representatives on a professional, yet informal basis.

Following is a list of scheduled conference events and conference registration materials. Please help us by indentifying students with a strong potential for leadership and earnest interest in Asian American affairs by sharing this information with them.

Thank you in advance for your assistance and support. We look forward to seeing you at this year's Asian American Student Conference.
