

WHAT'S HAPPENING IN BIOETHICS AND SOCIAL JUSTICE

VACCINES IN MICHIGAN

DR. NATASHA BAGDASARIAN, MD, MPH, FIDSA, FACP

Dr. Bagdasarian is the chief medical executive for the State of Michigan. She is board certified by the American Board of Internal Medicine in Internal Medicine and Infectious Diseases, and she is a Fellow of the Infectious Diseases Society of America and the American College of Physicians. Dr. Bagdasarian is a member of Governor Gretchen Whitmer's Cabinet. She chairs Michigan's Public Health Advisory Council, Gun Violence Prevention Task Force, and Opioid Task Force.

OBJECTIVES:

- 1) Understand the epidemiology of key infectious diseases in Michigan.
- 2) Understand ways in which healthcare providers can play a role in stopping disease transmission.
- 3) Learn about disparities in key diseases of public health significance.

The College of Human Medicine Office of CME designates this Live Course for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
