

COMMENCEMENT CEREMONIES

FALL 2025

“Graduates, in your time at Michigan State, you have grown in your understanding, capacity for achievement, confidence and character. You move forward equipped to pursue a career of accomplishment and a life of purpose and meaning. I have no doubt you will remain curious and are prepared to make a difference in the world.”

Kevin M. Guskiewicz, Ph.D.
President
Professor, Department of Kinesiology
Michigan State University

Photo above: an MSU entrance marker of brick and limestone, displaying our proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus. This pattern is repeated on the University Mace (see page 10).

Inside Cover: Pattern of alternating samara and acorns.

Michigan State University photos provided by University Communications.

ENVIRONMENTAL STEWARDSHIP

Token Diplomas

Commencement token diplomas, which are presented to degree candidates at their commencement ceremonies, are 30% post-consumer recycled content.

Caps and Gowns

Graduating seniors' caps and gowns and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 23 plastic bottles.

Recycle Your Cap and Gown

Once all of your favorite photos are taken on campus, please recycle your gown at the MSU Union Spartan Spirit Shop.

For additional information about environmental stewardship at MSU, please visit Be Spartan Green at bespartangreen.msu.edu

MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

December 2025

President

CONGRATULATORY LETTER

DEAR SPARTAN GRADUATES:

Congratulations — you did it! Through your curiosity, dedication and hard work, you have earned a most valuable credential — your degree, which will open opportunities as you pursue your career and throughout your life as a Michigan State alum.

Here, you've had unique opportunities to learn and to explore, and maybe even change directions once or twice. Perhaps you surprised yourself with your ability to overcome challenges and setbacks.

Beyond the knowledge you've gained in the classroom, the experiences you've had as a member of this scholarly community will enrich the life ahead of you. You've had opportunities to know people from different places, backgrounds and circumstances, broaden your point of view and extend your horizons.

You have also grown in your capacity for achievement, confidence and character. You move forward equipped to pursue a career of accomplishment and a life of purpose and meaning. I have no doubt you will remain curious and are prepared to make a difference in the world.

As you move toward the next part of your personal journey, I encourage you to engage with your community and contribute to the society around you. When you have the chance to give back to those who have supported you, I hope you do that, too. You are joining a proud global network of fellow alums more than half a million strong, united by your shared experiences here on the banks of the Red Cedar River.

Go Green!

Kevin M. Guskiewicz, Ph.D.

President

Professor, Department of Kinesiology
Michigan State University

December 2025

Provost and Executive Vice President for Academic Affairs

CONGRATULATORY LETTER

DEAR SPARTAN GRADUATES:

Today is a special day – a day we honor, recognize, and celebrate you pursuing and achieving your dreams. After successfully completing your journey through your degree program, you have arrived at this capstone moment, with all you have learned at our top global public research university preparing you for a bright and promising future.

You, our next generation of innovators, leaders, and difference makers, have studied here during a time of positive momentum for the university. Your MSU degree is an asset that will continue to serve you well throughout your career, and you can be confident in your qualifications and capabilities as you move to the next phase of your life. The broad and diverse range of your MSU experiences will provide valuable insights for a lifetime, along with cherished memories and enduring friendships.

While your graduation signals a departure from one phase of your connection with MSU, it marks the beginning of another. You now join a much larger family of Spartan alums, and I encourage you to return often and stay connected to the life of the university in the years ahead.

Congratulations as you celebrate your graduation from Michigan State University. I wish you the very best as you enter the next phase of your life – and I can't wait to see the positive impact you will continue to make in the world!

Warm regards,

Laura Lee McIntyre, Ph.D.
Provost and Executive Vice President for
Academic Affairs

MSU Research Foundation Professor,
Department of Counseling, Educational
Psychology, and Special Education
Michigan State University

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 545 buildings. Today, nearly 20,000 acres are used throughout Michigan for agricultural and natural resources research and for education.

MSU has more than 50,000 students from all 83 counties in Michigan, all 50 states, and more than 130 other countries. There are more than one-half million Spartan alumni living around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, including graduate and graduate professional education. The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study.

Research and other grants total nearly \$600 million in 2014–15. The top federal funding agencies include the U.S. Department of Energy (DOE), the National Science Foundation, the U.S. Department of Health and Human Services, U.S. Agency for International Development, the U.S. Department of Agriculture, the U.S. Department of Education, and the U.S. Department of Defense. Other externally funded research programs include the MSU–U.S. DOE, Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and

Automotive Research Laboratory Centers, the Composite Vehicle Research Center, the U.S.–China Center for Research on Educational Excellence, the Center for Advanced Study of International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. DOE selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$730 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, security, and industry.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch encompasses the research of more than 300 scientists in a network of 13 research centers across the state. Their work ranges from agricultural production, alternative energy and biofuel production, food safety and environmental stewardship to childhood obesity, community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in education abroad among U.S. public universities with more than 275 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in education abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the Council of Graduate Schools, and the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation).

LAND ACKNOWLEDGEMENT FOR MICHIGAN STATE UNIVERSITY

Michigan State University occupies the ancestral, traditional and contemporary lands of the Anishinaabeg – Three Fires Confederacy of Ojibwe, Odawa and Potawatomi peoples. In particular, the university resides on land ceded in the 1819 Treaty of Saginaw. We recognize Michigan's 12 federally recognized Native Nations, historic Indigenous communities in Michigan, Indigenous individuals and communities who live here now, and those who were forcibly removed from their homelands. In offering this land acknowledgement, we affirm Indigenous sovereignty, history and experiences.

CEREMONY LYRICS

THE STAR SPANGLED BANNER

O, say, can you see
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave,
O'er the land of the free,
and the home of the brave.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*

M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.
When from these scenes we wander,

and twilight shadows fade,
Our mem'ry still will linger,
where light and shadows played;
In the evening oft we'll gather,
and pledge our faith anew,
Sing our love for Alma Mater,
and thy praises, MSU.

MSU FIGHT SONG**

On the banks of the Red Cedar,
is a school that's known to all;
Its speciality is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the game they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925–1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-1941) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid. Candidates graduating with the highest cumulative scholarly records by the close of the preceding semester receive a 4.0 cord. This cord is a single cord with a green, white, and gold braid.

HONORARY DEGREES AND KEYNOTE SPEAKERS

Alumnus Eli Broad, for whom MSU's Eli Broad College of Business is named, is a renowned business leader who built two Fortune 500 companies from the ground up. Not only is he a successful entrepreneur, but Mr. Broad and his wife, Edythe, are engaged in many important philanthropic endeavors. In fall 2002, Michigan State University proudly awarded Mr. Broad an honorary doctorate of humanities.

Eli Broad and his wife, Edythe, with a total gift of \$28 million, have made contemporary art available to the entire Michigan State University community and those who visit us from around the globe. The Eli and Edythe Broad Art Museum officially opened November 10, 2012. The world-class art museum is designed by Pritzker Prize-winning architect Zaha Hadid. For information about the facility, exhibitions, and programs, please visit broadmuseum.msu.edu.

We tell our graduates to "Come Home Often." We hope that you, and your family, will come home often and include a visit to the Eli and Edythe Broad Art Museum.

HONORARY DEGREE CITATIONS

KEVIN CONROY

You are an inspiring leader who drives progress in the fields of biotechnology and diagnostics. Your commitment to innovation, advancement, and knowledge has led to impactful developments within one of the world's most progressive scientific organizations.

A native of Flint, Michigan, your educational achievements include a Bachelor of Science degree in Electrical Engineering from Michigan State University and a law degree from the University of Michigan Law School. Throughout your career, you have held numerous leadership roles, including Chief Executive Officer of Third Wave Technology, and have served on the board of Align Technology, Epizyme Inc. and Adaptive Biotechnology Corporation. You have shared your expertise as director of the Greater Madison Chamber of Commerce, member of the University of Wisconsin-Madison Chancellor's Advisory Council and Chair of the United Way of Dane County's 2016 Annual Campaign.

Your notable work at Exact Sciences includes the innovation of Cologuard, advancing preventative care through early detection and increased accessibility, and the acquisition of Genomic Health Inc. Under your leadership and vision, Exact Sciences has progressed colorectal cancer detection systems and

solidified your prominence in the fields of biotechnology, healthcare, and diagnostics. Your dedication to improving patient care is an inspiration to all Spartans.

The impacts of your career and contributions are immeasurable. You have received numerous accolades, including the Claud D. Erickson Distinguished Alumni Award from the Michigan State University College of Engineering, in recognition of your sustained excellence, and the Ernst & Young Entrepreneur of the Year in Midwest Biotechnology. Your establishment of the Senator Joe and Mary Conroy Endowed Scholarship, supporting engineering students, is a testament to your commitment to the Michigan State University community.

In recognition of your distinguished career in the health sciences and cancer screening, and expertise, advice, and dedication to Michigan State University's success, I am pleased to award you an honorary Doctor of Engineering from Michigan State University.

HONORARY DEGREE CITATIONS

LEE JUNE

You are an inspiring scholar and professor who has devoted your life to the fields of psychology, education, and public service. You have utilized your expertise to become a leader in spiritual and multicultural psychology. Your distinguished research has enriched the field and continues to have profound impacts.

Your educational achievements include a bachelor's degree in biology from Tuskegee University, and a master's degree in Rehabilitation Counseling, and Clinical Psychology, as well as a Doctorate in Clinical Psychology from the University of Illinois, Urbana-Champaign. Additionally, you have pursued studies at Duke University and the Interdenominational Theological Center, as well as earning a master's degree in Ministry Leadership from Grand Rapids Theological Seminary/Cornerstone University.

During your remarkable 52 year-career at Michigan State University, you have served in a multitude of roles, including Director of the Counseling Center, Senior Advisor to the Provost for Racial, Ethnic and Multicultural Issues, and Vice President for Student Affairs and Services. You have been a consistent voice for cross-generational conversations to help young people pursue effective change and you have been a mentor and guide for countless students and higher education professionals.

You have demonstrated your expertise in a wide variety of settings including authoring or editing 7 books and many additional articles and chapters. Your service to the community includes Dean of the Lansing Area Ministerial Alliance, member of the Advisory Council for Our Daily Bread Ministries, and Chair of the Board of Directors for the Institute for Black Family Development. The impact of your work in these roles has been both transformative and inspiring for Michigan State University and the broader community.

In recognition of your work, you have received numerous prestigious awards including the Dr. Martin Luther King, Jr. Living Legend Award, Frederick Douglas Award, Michigan State University Black Student Alliance Outstanding Administrator Award, the Michigan State University Distinguished Black Alumni Award, and the All-University Excellence in Diversity Achievement Award.

For your contributions, both locally and nationally, that continue to inspire, support, and improve the lives of countless individuals, I am pleased to award you and Honorary Doctor of Education from Michigan State University.

HONORARY DEGREE CITATIONS

KIM WILCOX

You are a highly accomplished leader in the world of academia, devoting yourself to higher education and its administration. You have utilized your experience and expertise to help expand and transform the University of Kansas, Michigan State University, and most recently the University of California, Riverside. Your continued commitment to improving the communities around you is truly admirable.

Your educational accomplishments include a Bachelor of Arts degree with high honors in audiology and speech science from the College of Communication Arts and Sciences here at Michigan State University, along with Master of Science and Doctor of Philosophy degrees in speech and hearing science from Purdue University.

You have had profound impacts on numerous universities. As the Provost and Executive Vice President at Michigan State University, you helped to create the neighborhoods model to enhance student support and success, as well as assisting MSU to be selected as the site for the Facility for Rare Isotope Beams.

Your investment in faculty, academic and student success are a testament to your dedication to Michigan State University and the Spartan community. After leaving MSU to serve as the Chancellor of the University of California, Riverside, you demonstrated your unwavering dedication through your continued contributions, including overseeing the addition of 250 new faculty, doubling grant and contract funding, and improving the school's graduation rate by over 12%.

Your commitment to excellence and engagement have been an inspiration and continue to foster positive outcomes. You have dedicated your career to serving students and ensuring they have the tools and guidance needed for success. Through your leadership, universities have been able to focus their priorities and concentrate on the betterment of higher education.

For your inspirational career, academic contributions, and dedication to higher education, I am pleased to award you the honorary degree of Doctor of Education from Michigan State University.

KEYNOTE SPEAKER CITATION

JOAN ROSE

Dr. Joan Rose is a highly accomplished leader in the international fields of public health and water microbiology. As the Homer Nowlin Chair in Water Research at Michigan State University, and Director of the Water Alliance, she has dedicated herself to water quality and public health safety. Her research has helped identify threats to health and safety stemming from waterborne illnesses, evaluating methods for detecting viruses and other harmful elements in water sources, and advancing the treatment of wastewater.

Her work ethic and breadth of impact have cemented her as a pillar of academic achievement and social contribution. In 2011, she was elected to the National Academy of Engineering. In 2015, her work in Singapore, helping make wastewater management safer and more sustainable, led to receiving honorary citizenship. Other notable awards include, the Stockholm Water Prize, the world's more prestigious water award, and the International Water Association's Global Water Award.

From her days as a student at the University of Arizona and then University of Wyoming, and later as a professor, first at the University of South Florida, and now here at Michigan State, Dr. Rose has dedicated her professional career to the advancement of knowledge, including leading and mentoring numerous graduate students along the way.

For her exceptional academic career and dedication to the academy, we are privileged to recognize Dr. Joan Rose as the keynote speaker for this advanced degree commencement ceremony.

BACCALAUREATE DEGREES

- MSU has 4 undergraduate programs ranked in the top 25 nationally by U.S. News & World Report.
- Times Higher Education of London ranked MSU #116 in its 2024 World University Rankings.
- U.S. News & World Report ranked MSU #1 in Supply Chain Management.
- MSU places 21st among the top U.S. public universities ranked in Washington Monthly's 2021 College Guide and Rankings
- Ranked 63rd overall and 30th for public universities by U.S. News & World Report.
- Ranks seventh in the nation for study abroad participation

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.89 and those graduating With High Honor is 3.98 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

4.0 RECIPIENTS

These graduating seniors achieved the highest cumulative scholarly records by the close of the preceding semester. At least three-fourths of the credits for the degree must be earned at Michigan State University with numerical grades by the close of the preceding semester. Fall, spring, and summer graduating seniors are eligible.

Baccalaureate Degrees
Graduates and Candidates – Summer and Fall 2025

These students have completed their Reserve Officers Training Corps education at Michigan State University and have received their commissions as reserve officers of the United States Air Force or the United States Army.

GRADUATE DEGREES AND GRADUATE PROFESSIONAL DEGREES

- Notable discoveries include homogenization of milk and the anticancer drug cisplatin
- *U.S. News & World Report* ranks MSU first in the nation for graduate programs in Curriculum and Instruction, Elementary and Secondary Education, Educational Administration, Higher Education Administration, and Supply Chain/Logistics
- 28 Graduate Programs ranked in the top 26 nationally.
- External funding totaled nearly \$600 million in 2014–2015. The top federal funding agencies: National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and U.S. Department of Agriculture
- *U.S. News & World Report* ranks MSU second in the nation for graduate programs in Nuclear Physics, Rehabilitation Counseling, and first in Supply Chain Management/Logistics.

Tammi Harmon

Amanda Idema

Wanda Lipscomb

Mark Rokita

“Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever.”

John A. Hannah (1902–1991)

President, Michigan State University (1941–1969)
