I. POLICY STATEMENT

If summer salary is assigned to grants, there should be an equivalent amount of time (i.e., percentage) during the academic year assigned to the grant for tenure stream and fixed term faculty as well as academic staff on academic year appointments employed August 16 to May 15. Grant activity does not simply occur during the summer and should be distributed reasonably across the year. An automatic exception to this policy is for grants less than \$75,001. For grants less than or equal to \$75,000, the academic year time equals summertime policy is waived. Any additional exceptions due to restrictions from certain agencies or foundations must be discussed with your chair and require approval of the Dean's Office"
