### **Student Application Information 2026-2027**

The College of Education at Michigan State University is pleased to invite applicants for the *Dean's Scholarship for Undergraduate Study Abroad and Preparing Teachers for Global Classrooms through Study Abroad*. The purpose of these scholarships is to further MSU's mission of advancing knowledge and transforming lives by providing access to opportunities to acquire the knowledge and skills that will enable future educators and researchers to critically examine and apply solutions to challenging educational issues, locally and globally.
