Preference will be given to students who are residents of Genesee County, MI. Additional preference will be given to students who have indicated current or past work experience while pursuing their bachelor's degree.

#### **Dr. Shirley H. Brehm Endowed Scholarship in Teacher Education**

Recipients shall be students enrolled in a teacher preparation program in elementary education with a major and/or minor in science or mathematics education or in secondary education with a major in science or mathematics. Selection will be based on financial need as determined by the federal government according to its policies and procedures and on academic merit. Preference will be given to students who graduated from a high school in a rural district.

#### **Jere E. and Arlene Pintozzi Brophy Endowed Fellowship in Education**

The Fellowship will be awarded to qualified applicants based on the following criteria:

(a) The College of Education, or any future successor MSU unit, will select Fellowship recipients according to its policies and procedures. Recipients shall be College of Education Ph.D. students whose research is focused on one or more of the following:

- i. Motivation to learn;
- ii. Social development that relates to academic learning and student engagement;
- iii. Classroom management that fosters student learning;
- iv. Curriculum and content that involves a pedagogy that enhances students' motivation and investment in learning students' goals and aspirations;
- v. The use of evaluation systems that will enhance student motivation and learning;
- vi. How values translate into learning and motivation.

#### **Angeline Buckwick Endowed Scholarship**

Recipients shall be selected on a basis of their admission to Michigan State University as a freshman or transfer student, and their intent to pursue and complete a degree in elementary education. Past recipients may continue to receive the award providing satisfactory academic progress is maintained as he/she pursues their degree in elementary education. The recipient(s) shall be selected according to the College of Education's procedures for selecting scholarship recipients. Eligible recipients are those undergraduate students admitted to the College of Education intending to pursue their degree in

elementary education with the intent and desire to teach grades K-3. Preference will be given to those students demonstrating financial need and who are gainfully employed in the effort to secure a part or all of their educational expenses.

#### **Glenn and Thelma Buell College of Education Endowed Scholarship**

Recipient(s) shall be admitted students to the teacher certification program in the College of Education at the junior, senior or post BA level (internship year). The scholarship may be renewed providing satisfactory academic progress is maintained by the recipient(s) as determined by the College. No recipient may receive the award for more than (6) academic semesters.

#### **Robert K. Burnett Memorial Endowed Scholarship**

Recipients shall be admitted undergraduate students in the College of Education secondary education program and shall be selected on the basis of their love of science, their desire to pursue a career in the field of science education and their potential for success in teaching. This award is intended to encourage students preparing to teach at the high school level in one of the hard sciences including biology, chemistry, or physics. Biology students will be given first preference.

#### **Arthur R. and Pearl Butler Scholarship**

For students in the field of Education

#### **Margaret A. Byrnes Scholarship Endowment**

Students enrolled in the Department of Teacher Education completing their fifth-year internship will be eligible for this award. Preference will be given to students who meet the following criteria in order of priority 1) first-generation college student, 2) demonstrate financial need as determined by the Federal Government's policies and procedures, and 3) have a cumulative GPA upon application of 3.20 or higher.

#### **Kay and Dale Carlson Scholarship**

It is the Donors' wish for the scholarship to support undergraduate and/or post-BA (internship year) students who are admitted to the College of Education and pursuing a teacher education degree.

#### **Charles H. and Betty Lou Awrey Carscallen Endowed Scholarship in Teacher Education**

Recipients shall be undergraduate students or post B.A. (intern year) students from a rural district, who have been admitted to the teacher education program in either elementary or secondary education with demonstrated financial need as determined by the federal government. Preference will be given to students in elementary education from Ogemaw County, MI. If such a student is not identified in a particular year, the following criteria (in order of preference) should be used.

- a) Secondary education student from Ogemaw County.
- b) Elementary education student from the following Michigan Counties (listed in alphabetical order): Alcona, Arenac, Clare, Crawford, Gladwin, Iosco, Kalkaska, Missaukee, Montmorency, Osceola, Oscoda, Otsego and Roscommon.

- c) Secondary education student from the same Michigan counties listed above.
- d) Elementary education student from a rural district in Michigan.
- e) Secondary education student from a rural district in Michigan.

Such scholarships may be renewable for up to four years (for five total years) if the student remains in good academic standing.

#### **Sonja L. Castle Fifth Year Endowed Scholarship in Education**

The scholarship must support a student entering into their fifth year post BA internship in the College of Education. It is the donor's preference that the student also demonstrates financial need as determined by the Free Application for Federal Student Aid (FAFSA) along with a commitment to teaching at the Elementary Level. Recipients will generally be selected during the Spring Semester, with awards to be effective the following Fall semester. The number of awards made in a given year and the amount of the awards will be based upon available Expendable amounts in that year. Awards will usually be credited during the tuition payment process.

#### **Michael A. Clark Endowed Scholarship**

For students entering their senior or internship year who plan a career teaching and coaching in a public school. Requires two letters of recommendation. Can be from faculty, employers, internship/volunteers supervisors, etc. The applicant's Personal Statement should include a description of their experiences as an athlete and as a coach, as well as their reasons for wanting to teach and coach in the public schools.

#### **Dr. Robert N. Coffey, Jr. Memorial Scholarship**

Recipients shall be enrolled in a Ph.D. program in the Higher, Adult, and Lifelong Education program with preference for students pursuing a career in higher education. Preference will also be given to Ph.D. students who have an interest in international education, either through their research or other demonstrated activities.

#### **The Coneybeare Family Endowed Scholarship Fund**

Recipients will be admitted students – undergraduate or post-BA (internship year) - in the elementary or secondary education program.

#### **The William F. and Harriette C. Cook Endowed Undergraduate Scholarship for the Study of Literacy**

The Cook Scholarship is for undergraduate teacher education students with an expressed interest in the field of literacy, and the intention to work in literacy within the United States following their graduation from MSU. The scholarship may be used for one or more years of support for any selected student. Although financial need is not a selection criteria for the Cook Scholarship, if two qualified nominees are otherwise equal, the presence of financial need for one strongly supports his or her selection. Although American citizenship is not a selection criteria for the Cook Scholarship, the recipient of the Cook Scholarship must intend to work in the field of literacy within the United States.

#### **Cotterman Family Endowed Scholarship in Elementary Education**

Recipients shall be admitted students in elementary education who have the intent and desire to teach grades K-3 who are preparing to complete their fifth year student teaching internship. Recipients must demonstrate unmet financial need. This is for students who intend to pursue careers as K-12 teachers and to advance the ideals and purposes of the TNE program.

#### **Beulah R. Crane Scholarship**

Recipients shall be undergraduate or post B.A. internship (fifth) year students enrolled in the College of Education. Preference will be given to graduates of Michigan Center, but students from the counties of Jackson, Ingham, Calhoun, Washtenaw and Lenawee are encouraged to apply and eligible for this scholarship.

#### **The Jeanie Saldeen Crosby and Margaret Douglas Saldeen Endowed Scholarship in Elementary Education**

Recipients shall be undergraduate or post B.A. internship (fifth) year students enrolled in the College of Education pursuing elementary teacher certification. Candidates for this award must have graduated from a public high school in the cities of Flint, Detroit, or Lansing, MI, or other urban districts including those in other states if no candidates are available from these three cities. Recipients shall be selected on a basis of significant financial need, with financial need being determined by the Federal Government according to its policies and procedures.

#### **Marian A. Dammon Scholarship**

Recipients shall be admitted students in the College of Education at the junior, senior, or post B.A. level (intern year) and shall be selected on the basis of their interest in teaching English and Creative Writing at the secondary level.

#### **DeSandre Bollas Teacher Education Scholarship**

Undergraduate students pursuing a degree offered in the Department of Teacher Education, who are residents of the State of Michigan, demonstrate financial need, and intend to pursue a career as a classroom teacher for any grade will be eligible for this award. Awards may be renewable as long as the recipient(s) remains in good academic standing.

#### **Bollas DeSandre Kinesiology Scholarship**

Undergraduate students pursuing a degree offered in the Department of Kinesiology who are residents of the State of Michigan and demonstrate financial need will be eligible for this award. Preference will be given to students who have indicated an interest in pursuing a career as a physician's assistant or medical doctor. Awards may be renewable as long as the recipient(s) remains in good academic standing.

#### **The Marvin O. and Peggy Savage Dunn Endowed Scholarship in Early Elementary Education**

Recipients shall be admitted students in the College of Education who are entering their post B.A. internship (fifth) year and shall be selected on a basis of financial need with financial need being determined by the federal government according to its policies and procedures. Recipients will preferably have received no scholarship for academic achievement, and will intend to teach lower

elementary in a public school setting. Preference will be given to students that have a Bachelor of Arts degree in Education, for elementary education, coupled with an additional major in Child Development from the College of Social Science.

**The Thelma Dunn Hansen Scholarship Endowed by Marvin O. Dunn and Peggy Savage Dunn**

Recipients shall be admitted students in the Urban Educator Cohort Program that are in their fifth year internship. Recipients must have demonstrated financial need as determined by the Federal Government according to its policies and procedures. Preference will be given to non-traditional students. Single parents, adult students with children returning to complete a degree program and applicants who have experienced life-changing circumstances (such as the death of a spouse or partner) are particularly encouraged to apply. It is the Donors' intent to support a teacher candidate who has not received financial help based on high academic achievement, but who demonstrates creativity, empathy and enthusiasm for teaching as identified by his or her peers, professors, and/or supervising teachers during their junior and senior years.

**Estate of Jennie E. Eason**

To aid full-time students training in special education. Preference shall be given to students majoring in spastic or cerebral palsied children.

First preference will be for students from Hillsdale County (Michigan); Second preference will be for students from the following Michigan counties: Branch, Calhoun, Jackson and Lenawee; Third preference for students who graduated from a high school in Michigan.

**Sterling G. Murray Memorial Grant**

Recipients must be undergraduates and or graduates who are enrolled for at least 12 credits in the term/semester during which the award is made. Recipients must also indicate promise of making a professional contribution to the field of education. Financial need takes priority.

The Nelson-MacLellan Endowed Scholarship in the College of Education , Recipients shall be admitted students in the College of Education at the undergraduate level or post-baccalaureate (intern year) and shall be elected on the basis of their academic excellence, financial need, and their strong interest in special education.

**Louise R. Newman Endowed Scholarship in Memory of Ester and Edwin Rosenthal**

Recipients will be undergraduate students (freshman/sophomore) with a stated interest in pursuing admission in the elementary, secondary or special education programs in the College of Education and/or students enrolled in elementary, secondary or special education programs in the College of Education including students at the post-baccalaureate level (internship year). Candidates for this award will have graduated from a Michigan high school, carry a minimum 3.0 GPA, have financial need, and plans to teach for a minimum of five years in the state of Michigan. Awards are renewable for up to four additional years if the student maintains a 3.0 GPA and remains enrolled in the program. It is the donor's intent to provide funding up to the full cost of tuition, fees and student taxes for a single student for five consecutive years (freshman/ sophomore/junior/senior and post-baccalaureate – internship year).

#### **The W. H. Nikkel Family Endowed Scholarship in Education**

Recipients shall be undergraduate and/or students in their internship year enrolled in the College of Education in good academic standing. Priority will be given to students that are graduates of Michigan high schools.

#### **Victor H. and Rachel P. Noll Scholarship in Education**

For undergraduate students in education with a G.P.A. of 3.0 or better, preparing and intending to teach, of good moral character and reputation, and of at least sophomore standing.

**Karen J. O'Donovan Endowed Undergraduate Scholarship in Teacher Education** Recipients shall be admitted students in the College of Education who are currently enrolled in elementary education and who have the intent and desire to teach grades K-8. They may be entering their junior, senior, or fifth-year student teaching internship year. Although financial need is not a selection criterion for the Scholarship, if two qualified nominees are otherwise equal, the presence of financial need for one strongly supports his or her selection.

#### **Sally Ottenhoff Memorial Scholarship in Education**

Recipients shall be undergraduate students who are residents of Michigan and enrolled in the Department of Kinesiology with demonstrated financial need. Preference will be given to students who are gainfully employed, with minimum part time employment status.

#### **Phyllis S. Pietka Endowed Scholarship in Special Education**

Recipients shall be College of Education undergraduate or post-baccalaureate (internship year) students pursuing a career in Special Education teaching.

#### **Paul and Mavis Pitzer Endowed Scholarship for Urban Teaching**

Recipients shall be admitted students in the College of Education at the junior, senior, or fifth-year post baccalaureate level and shall be selected on the basis of their declared interest in teaching in a large, urban public school system in the State of Michigan upon graduation. Examples of the Donors' idea of an urban system include Detroit, Flint, Saginaw, Jackson, Bay City, Muskegon, Lansing, Grand Rapids, Kalamazoo, Battle Creek, Benton Harbor, and Pontiac. Recipients shall be in good standing and making progress towards their degree.

Awards are not renewable.

### **Joyce and Jim Putnam Endowed Fund in Urban Education**

To qualify, candidates for this award must have graduated from a public high school in Flint, Detroit or other urban districts. They must express an interest in pursuing teacher certification through MSU or be admitted into an MSU Teacher Preparation program in elementary, secondary or special education. Candidates may be freshman, sophomores, juniors, seniors or interns. Applications for the Joyce and Jim Putnam Endowed Scholarship in Urban Education will be reviewed for the following:

- Academic Achievement.
- Evidence of interest in working with PK-12 learners from diverse racial/ethnic backgrounds, particularly with students in poverty and in urban settings.
- Evidence of successful leadership (i.e. seeking support and providing support in solving problems and successful team membership).
- Commitment to interning and teaching in urban schools.

The selection of recipients shall be determined by a committee to include no less than two teachers representing public schools in urban districts. It is the Donor's preference that teachers from Flint and Detroit are included on the committee. Upon the establishment of the Joyce and Jim Putnam Chair in Urban Education, that individual will oversee the committee and determine the amount of each award. As long as Dr. Sonya Gunnings-Moton is employed by the College of Education she will serve as selection committee chair.

It is intended that the scholarship funds will pay for tuition and fees. However, students who have been selected to receive grants or other scholarships would qualify for consideration of support for expenses such as food, medicine, insurance, technology, transportation, housing, textbooks and/or lab fees.

Funding will be for one year and recipients are encouraged to reapply on a yearly basis for additional support. Amount of funding will be determined based on applicant's financial need. If a recipient has to leave school for a time (not to exceed a twelve month period) and remains in good standing with the university and with the program and resumes his or her program in elementary, secondary or special education, the remaining funds of the specified scholarship will remain available for that individual upon his or her return.

### **Larry W. and Patricia L. Reeves Endowed Scholarship in Teacher Education**

Recipients shall be College of Education undergraduate students or post B.A. (intern year) students pursuing a career in elementary, secondary or special education teaching. Recipients will be selected based on academic merit and financial need with financial need being determined by the federal government according to its policies and procedures.

#### **Steller/Knepper Endowed Scholarship for Stellar Scholars**

Undergraduate Award Eligibility Requirements: Recipients shall be admitted students in the College of Education, must have a minimum of a 3.2 GPA, and must write an essay describing why they want to enter their chosen field and how they hope to enhance the field of education they have chosen. The essay must be grammatically correct, clear, focused, well organized, thoughtful, and in good English in order to be considered. Preference will be given to the extent legally possible to students who meet one or more of the following characteristics:

1. Plan to enter math, science, or related fields of teaching.
2. Plan to enter other fields in which teachers are in short supply.
3. Belong to underrepresented groups who will contribute to diversity in the classroom for the level and subject they intend to teach.
4. Can be identified as strivers or overachieving students (e.g. the SAT designation for those with higher scores than would be expected given their background and experience, or those identified through another method as being of higher academic ability than would be expected given their background and experience).
5. Awards are renewable throughout the period of study required for initial state certification pending continuing academic eligibility and satisfactory progress toward the degree, at the discretion of the Dean of the College of Education. However, if the scholarship is lost due to grades or lack of satisfactory progress, a new application, including a new essay, is required.

#### **Janet A. Wessel Endowed Fund for Research of Physical Activity, Health and Fitness for Girls and Women**

Recipients shall be admitted students in the Department of Kinesiology at the master's or Ph.D. level, and shall be selected based on their proposed research or ongoing research studies focused on

physical activity and health and fitness for girls and women. Their interest could be related to physical activity for:

- Pre-school through 12th grade inclusive school programs;
- Children, youth, adults, senior citizens, and family neighborhood and community programs;
- Youth and adult worksite/fitness and injury prevention;
- Sport performance and dance; and
- Parent training and family involvement.

The research could range from what influences physical activity behaviors (childhood, youth, adults, senior citizens) and possible links of the role of physical activity for health-wellness, fitness, aging, learning, pregnancy, self-esteem, and motivation. Research studies focused on the role of physical activity for health-wellness and fitness for girls and women will provide new interests, directions and goals in our changing global world. The Endowment will have the flexibility to fund new different interests.

The selection of recipients and identification of qualified research shall be determined by a committee to include the top administrator for the Center for Physical Activity and health (currently a director) or its equivalent. The director will appoint committee members to include a minimum of one tenure-stream faculty member in the Department of Kinesiology with a background in exercise physiology.

The Endowment will be renewable for two years for a total of three years if, based on annual evaluation(s) of the research by the above committee (identified in section c) and major advisor it is deemed the student is making progress toward achieving stated goals.

The Endowment will have the flexibility to support scholarship tuition, student assistantships, research training and experience in connection with ongoing research studies, projects, thesis, dissertations, grant proposals, and presentations.
