

ADJUSTING GRAD PLUS LOANS IN YOUR STUDENT PORTAL

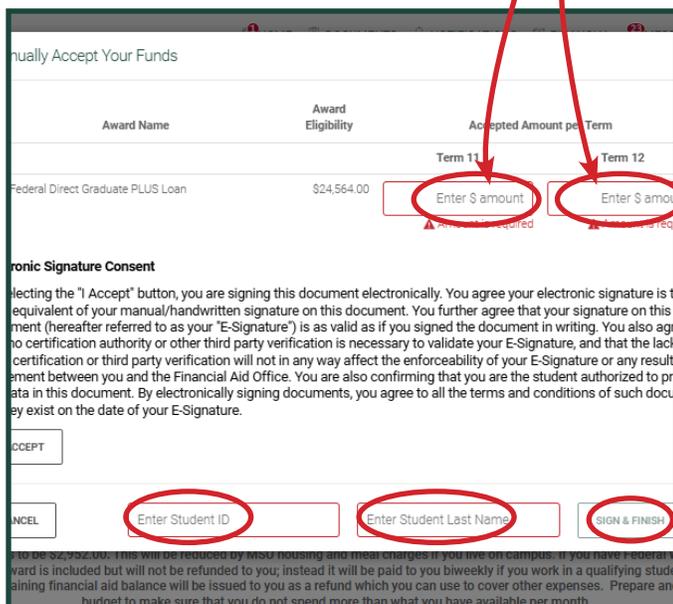

- Log in to your student portal: student.msu.edu and click the **Financial Aid** tile.

- Click the **FINANCIAL** tab.

- The next screen shows all the awards in your financial aid package. To adjust your Grad PLUS Loan amount, click the pencil icon next to your loan amount.

- In the window that opens, enter amounts for Term 11 and 12 (Fall and Spring). If you have already received a disbursement for Fall, it is recommended you enter that amount for fall to avoid delays. Enter the amount you wish for Spring. The two amounts may not total more than your eligible total Grad PLUS amount. Enter your Student ID and Last Name, then click **Sign & Finish.**
