

**MSU Foundation Relations – Foundation HUB
NEW! - Secure Access Area**

Dear Colleagues,

We are excited to share an important update to the MSU Foundation HUB designed to better support your access to highly competitive funding opportunities.

To ensure that open RFP opportunities and our Prospect Library remain targeted and accessible to the MSU research community, these resources are now located behind a secure access point. Moving forward, access will be limited to users with an MSU.edu email address.

What this means for you:

- You will be prompted to create a quick login using your MSU.edu credentials
- Step-by-step guidance is available on the Foundation HUB to walk you through the process
- Once logged in, you should not need to log in again when using the same computer and browser

This enhancement helps us maintain a high-quality, curated resource while ensuring access is reserved for our internal community.

If you have any questions or run into any issues, please do not hesitate to reach out. We are always happy to help.

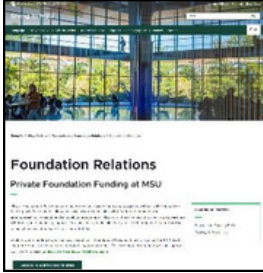

Thank you for your continued engagement with the Foundation HUB and the Foundation Relations team, we are glad to support your work.

Best regards,

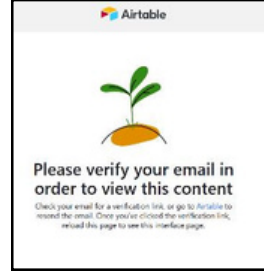

The Foundation Relations Team

MSU Foundation Relations – Foundation HUB How to Navigate First Login of Secure Access Area

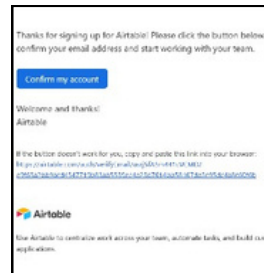

Step 1:
[Navigate to MSU Foundation Relations HUB](#)

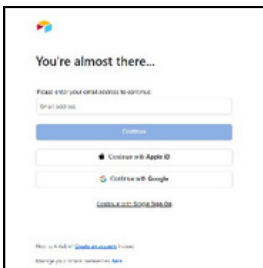

Step 5:
You will be asked to verify your email.
Check your inbox!

Step 2:
