as a team member; (b) practices with the varsity team and receives coaching from one or more varsity coaches; or (c) receives athletically-related student aid.

Any student who satisfies one or more of the criteria above is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student who does not play in a scheduled contest, whether for medical reasons or to preserve eligibility (i.e., a redshirt).

Student-athletes who participate in more than one sport should be counted in each sport. **Male practice players are NOT to be included on the NCAA form as participants in this table, but are now required by the federal EADA.**
