BUILD YOUR PSY COMMUNITY

♥ **There's a new place for PSY majors to connect, get support, and just be!**

The PSY Student Success Mentors are now holding Support Hours in **Giltner Hall, Room 173**, with both **in-person and Zoom options**, creating a dedicated space for PSY students to drop in throughout the semester.

Come by to get help with studying, organization, time management, PSY processes, campus resources, or navigating the department. Or come by because you have a break between classes and want somewhere to work, relax, or be around other PSY majors. PSSM is **for all PSY majors**, and we want this new space to feel like a little **home base within the department**: a place to find support, make connections, and build community.

Be sure to join us on Friday, October 16th from 3:30–5 PM in Giltner 173 for our **Annual PSY Speed Friending Event** to make new friends in your major!

And remember, you can also **request your own PSY Student Success Mentor**! Drop-in Support Hours are a great way to get quick help or connect with the PSY community, while a one-on-one mentor gives you someone you can work with throughout the semester. First-year, transfer, and new PSY students are especially encouraged to connect. Learn more [here](#).

THE NEW PSY WEBSITE IS LIVE!

Have you seen the new PSY Department website? We've redesigned it to make navigating the Psychology major a little easier, with student-focused information, answers to common questions, and step-by-step guidance for everything from academic processes to finding resources. When you're wondering "How do I do this?" or "Where do I start?", we hope the new site helps you find your next step. **Check it out!**

UPCOMING EVENTS/ OPPORTUNITIES
