MEMORANDUM

To: Trustee Finance Committee

From: Fred L. Poston 

Subject: **Authorization to Plan**
Spartan Stadium - North End Zone Addition

RECOMMENDATION

BE IT RESOLVED that the Trustee Finance Committee recommends that the Board of Trustees authorize the Administration to plan for the project entitled Spartan Stadium - North End Zone Addition.

BACKGROUND
Program Need:

The north end of Spartan Stadium has a number of issues that need to be addressed. There are Just-In-Time maintenance needs in the concourse and the locker rooms need to be upgraded. The stadium currently lacks a formal recruiting space and game day media space is inadequate.

General Description of the Project:

The planning of this project is anticipated to include creating a two-level addition; adding recruiting rooms to the concourse floor; addressing maintenance needs; upgrading locker rooms and team spaces; creating media rooms on the lower level of the addition; and adding shell space for future restroom and concessions facilities.

Spartan Stadium is located between Shaw Lane, Chestnut Road, and Red Cedar in the athletic and recreation district. The location of this project is consistent with the Campus Master Plan and Planning Principles.

Based on an assessment of the factors stated in the Project Planning and Approval process concerning Project Labor Agreements (PLA), the Vice President for Finance and Operations and Treasurer has determined that a PLA would not be required for this project.

OFFICE OF THE
VICE PRESIDENT FOR
FINANCE AND
OPERATIONS

Fred L. Poston
Vice President and
Treasurer

Michigan State University
Hannah Administration Building
426 Auditorium Road, Room 412
East Lansing, Michigan

Communication Plan:

During the planning phase, the campus community will be given opportunities to provide feedback on the project as it is being designed. Input from the project planning team will be solicited during the design phase.

Preliminary Project Cost Information:

Based on cost experience for similar projects and current pricing information, the preliminary project cost estimate is \$18,000,000. This estimate may change as planning progresses and the project scope is further defined.

The source of funds for the project is expected to be intercollegiate athletics fundraising.
