SELF-GUIDED TOUR

Welcome to your Spartan adventure! This self-guided tour is all about discovering what it's like to be a Spartan as you explore MSU at your own pace. You'll get to visit campus highlights and landmarks, plus some popular student life spots.

We recommend starting at the MSU Union, also known as the living room of campus, but you can begin anywhere that's convenient for you. Follow the map's suggested route or choose your own path — every turn has something new to discover.

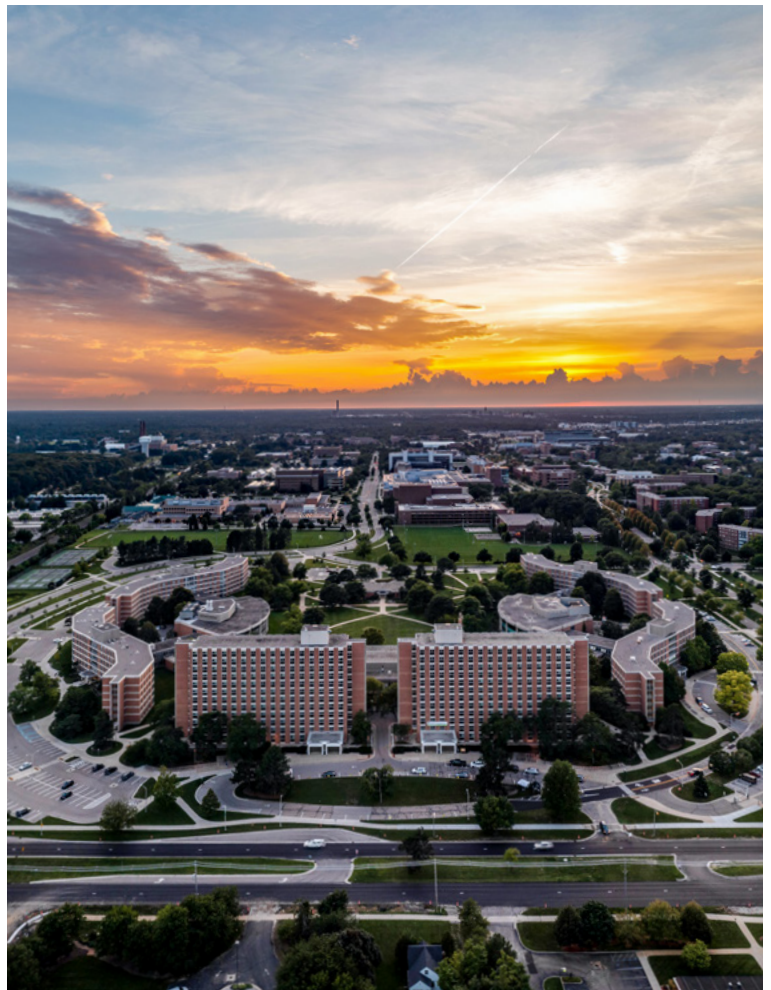

Building Access

Most campus buildings are open to the public until 6 p.m., after which a valid MSU ID is required for entry. Access may also be limited on weekends — especially during special events like game days and university holidays — so plan accordingly if you're touring in the evening or on a weekend. Residence halls, student rooms, and other student areas may have restricted access, so please be mindful of not disturbing these spaces.
