

AMY ANGELL

FCAS, MAAA

Principal and Consulting Actuary

amy.angell@milliman.com

+1 781 213 6264

Current Responsibility

Amy Angell is a principal with the Boston office of Milliman.

Professional Work Experience

Amy works with a wide range of clients, including captive insurance companies, self-insured corporations, and commercial insurance carriers. Her areas of expertise include insurance pricing and loss reserving, financial modeling, and management reporting. She assists her clients with change management, including the evaluation of risk management and safety programs, the impact of new accounting standards and changes in accounting policy, and the assessment of rating structure and reinsurance program changes.

Amy also provides financial examination support and reviews captive insurance company applications for captive insurance regulators.

Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries
