Current Responsibility

Chad Barker is a healthcare consultant in the Indianapolis Health Practice. He provides Market Access Strategy and Agency of Record services to life sciences companies.

Professional Work Experience

Chad has worked in various healthcare-focused communications and strategy roles since 2014. He previously worked for a large integrated pharmaceutical manufacturer where he launched assets in neuroscience and immunology and evaluated the portfolio impact of biosimilars. He also led Inflation Reduction Act preparation and Medicare market access strategy across cardiometabolic, oncology, and immunology franchises.

Education

Purdue University, BA, Political Science and Communications, 2013
