Current Responsibility

Sam Bertoch is an associate actuary with Milliman's Health Practice. He is located in Salt Lake City, Utah, and joined the firm in 2014.

Professional Work Experience

Sam's areas of expertise include commercial health insurance, self-funded employer plans and trusts, and financial forecasting. His clients include large employers, insurance organizations, and brokers.

At Milliman, Sam has worked with multiple self-insured large employers to help them forecast their healthcare budgets, as well as make decisions on employee benefit contributions and plan designs. Additionally, he assists in estimating actuarial assets and liabilities by conducting commercial pricing and analyzing benefit plan designs and historical experience for insurance organizations.

Professional Designations

- Associate, Society of Actuaries
- Member, American Academy of Actuaries

Education

BS (cum laude), Actuarial Science, Brigham Young University
