Current Responsibility

Brent Bielski is a DB client relations manager for the Pension Administration Services team in the Milliman Employee Benefits Administration and Consulting Practice. He joined the firm and the industry in 2016.

Professional Work Experience

Brent has experience with many different types of defined benefit plans, including traditional plans, cash balance plans, government plans, and multi-employer plans. During his time at Milliman, Brent has been involved in all aspects of pension administration, such as benefit calculations, payment administration, valuation review, compliance, correction projects, reporting, and plan termination. He is responsible for overseeing the daily tasks of team members by managing the client relationship and ensuring the plan is properly administered.
