Current Responsibility

Bjorn Blom works as a data science consultant in the Amsterdam office of Milliman. He joined the firm in 2020.

Having both consultancy and data science experience, Bjorn is uniquely qualified to assist clients with their data-driven challenges.

Professional Work Experience

Bjorn has more than five years of experience in data science. Before joining Milliman, he worked in a similar role at Ortec Finance. At Milliman, Bjorn has worked on projects relating to machine learning development, insurance pricing, data quality, data engineering, and visualization. He has also been an interim Team lead/PO.
