Current Responsibility

Joe Bogdan is an actuarial analyst with the Hartford office of Milliman. He joined the firm in 2023.

Professional Work Experience

MEDICAID EXPERIENCE

Joe helps with state-side support of managed Medicaid rate development. This includes calculating cost-savings through 1115 waivers, quantifying the impact of the “Unwind” process, and analyzing financing methods to provide new high-cost pharmacy treatments.

PACE EXPERIENCE

Joe provides Part D bid development support for several PACE organizations. He assists in the review of administrative and related party cost accounting, the development of PACE-specific actuarial assumptions, and the projection of Part D drug costs.

DENTAL EXPERIENCE

Joe supports clients that are working to update their current dental rating models. Functional additions have included custom in/out-of-network fee schedule adjustments, induced utilization relativities, and alternative benefit maximum factors for optional supplemental benefits or flex benefits.

MEDICARE ACO EXPERIENCE

Joe’s focus in the Medicare ACO space is the development of technical capabilities that support risk score monitoring at a beneficiary and ACO level. He also provides support for quarterly shared savings analyses.

Education

BS, Actuarial Science, University of Connecticut
