

Ivan Bogojevic

Actuarial Analyst

CURRENT RESPONSIBILITY

Ivan Bogojevic is an actuarial analyst with the Boston office of Milliman. He joined the firm in 2016.

EXPERIENCE

Ivan's experience in property and casualty actuarial work covers loss reserving, premium and feasibility studies, ratemaking, data analysis, and financial modeling. He provides actuarial support to numerous clients, including self-insurers, captives, reinsurers, and multiline property and casualty insurers.

Ivan also assists in the review of rate filings for the Rhode Island Insurance Division and the Mississippi Insurance Department.

EDUCATION

BA, Economics, University of Massachusetts, Boston
