

JEAN-PHILIPPE BOISSEAU

IAASCF

Principal P&C, Paris

jean-philippe.boisseau@milliman.com

Current Responsibility

Jean-Philippe Boisseau is a principal overseeing the P&C Practice in Milliman's Paris office.

Professional Work Experience

Jean-Philippe began his career at AXA where he served for two years on the team in charge of the calculation of the Embedded Value.

Jean-Philippe joined B&W Deloitte in 2003 and was involved in a large variety of projects, including merger and acquisitions, market-consistent embedded value (MCEV), IFRS, Solvency II, economic capital, and reserving projects. He joined Milliman in 2008 as a principal in France. He oversees the P&C practice.

Education

- Master's degree in Applied Mathematics
- Fellow of the French Institute of Actuaries
