+31686818132

Current Responsibility

Sjoerd Brethouwer is a consulting actuary in the Amsterdam office of Milliman. He joined the firm in 2017.

Sjoerd carries out consulting assignments in the fields of life and non-life insurance and finance risk management in the Netherlands and neighboring countries.

Professional Work Experience

Sjoerd has 11 years of extensive experience in the fields of life insurance, financial risk management, and non-life insurance. Before joining Milliman, he worked at EY for five years during which he provided actuarial audit support for several clients. Sjoerd has worked on several projects in the areas of IFRS17 and Solvency II (model implementations, model validations, and general client support on these topics). He also has broad experience on IFRS9 topics.
