

BENJAMIN BUTTIN

FSA, MAAA

Actuary

benjamin.buttin@milliman.com

+ 1 206 504 5959

Current Responsibility

Benjamin Buttin is a member of the Seattle Life Practice at Milliman.

Professional Work Experience

Benjamin has extensive experience with a broad range of life insurance and annuity products. He has particular expertise with fixed-indexed annuities, variable annuities, and indexed universal life products. His experience includes product pricing, capital assessment, and US, STAT, and GAAP financial reporting.

Benjamin has worked for several of the largest Bermuda based life and annuity reinsurers and has expertise in Bermuda statutory and capital requirements, including the standard and scenario-based approaches for calculating the best estimate liabilities.

Education

BS, Mathematics, University of Washington
