

CHRISTOPHER CLARKE

FIA

Principal and Consulting Actuary

+44 20 7847 1603

Current Responsibility

Christopher Clarke is a principal in Milliman's Property and Casualty Practice in London. He joined the firm in 2010.

Professional Work Experience

Christopher works with a wide range of clients, including (re)insurers, Lloyd's syndicates, ILS funds, captives, P&I clubs, and other entities. His areas of expertise include:

- Reserving, for a wide range of London Market and commercial lines of business. Christopher has managed projects to provide statements of actuarial opinion for Lloyd's syndicates, as well as insurers in Ireland and Bermuda.
- ILS fund valuation. Christopher leads the quarterly valuation exercise for a leading ILS fund.
- Independent Expert work for insurance business transfers. Christopher is an experienced Independent Expert for Part VII transfers in the UK, and has also worked on Section 13 transfers in Ireland and Insurance Business Transfers in Oklahoma.
- Legacy business. Christopher has particular expertise with regard to legacy business, having undertaken reserve reviews for numerous run-off portfolios, including those with APH liabilities.
- M&A. Christopher has advised both buyers and sellers in insurance-related transactions, in particular those involving legacy liabilities.
- Solvency II. Christopher is experienced in all aspects of the actuarial function role under Solvency II, including calculating technical provisions and solvency capital requirements, as well as all associated reporting.
