Health Analyst

meghan.davison@milliman.com

503-660-4161

## Current Responsibility

Meghan Davison is a health analyst in the Employee Benefits Consulting Practice of Milliman.

## Professional Work Experience

Meghan's professional experience is in employee benefits. She began her career at Milliman in 2019, working with clients on defined benefit pensions and retiree medical plans. Currently, she specializes in Taft-Hartley multiemployer health and welfare funds, where she conducts budgeting and cost projections, analyzes plan experience, calculates IBNR claim reserves, and develops COBRA rates.

## Education

- BS (magna cum laude), Mathematics, Oregon State University
- BS (magna cum laude), Education, Oregon State University
