## Current Responsibility

Gary Deeth joined the firm in 2012 and has 14 years of actuarial consulting experience. Based in Portland, Oregon, he has provided actuarial services for a wide range of public sector defined benefit pension plans and retiree medical plans, including the Oregon Public Employees Retirement System, the Portland Fire & Police Disability & Retirement Fund, Antelope Valley Medical Center, Tualatin Hills Park & Recreation District, Coos Bay-North Bend Water Board, and Oregon Health & Science University. He also works on biennial actuarial audits of the Washington Office of the State Actuary's actuarial valuations and experience studies for the Pension Funding Council and LEOFF Plan 2 Retirement Board.

## Professional Work Experience

Gary is experienced in working on actuarial valuations, experience studies, cost and liability projections, plan design studies, financial reporting, and government filings.

## Professional Designations

- Associate, Society of Actuaries
- Enrolled Actuary under ERISA
- Member, American Academy of Actuaries

## Education

- BA, Mathematics, University of Southern California
- BA, Psychology, University of Southern California
