Current Responsibility

Dipti joined as an actuarial analyst in the Singapore office of Milliman in September 2017.

Dipti's role is to support Milliman's Employee Benefits practice in Asia.

Professional Work Experience

Dipti's association with Milliman began in 2013 when she was an actuarial intern in the Mumbai Office, learning and contributing in actuarial projects in Employee Benefits & Life Insurance.

After graduating with a bachelor's degree in actuarial science, Dipti joined Towers Watson, Mumbai as benefits-analyst trainee for a year, carrying out accounting valuations of employee benefit schemes for estimation of client's liabilities towards its employees.

Prior to Milliman Singapore, Dipti interned as a business analyst with Development Bank of Singapore Private Banking, providing business management support to high net worth clients.

Dipti will be graduating with a Master's degree in Business Analytics from Singapore Management University in December 2017.
