Current Responsibility

Dave Doran is a consulting actuary with the Health Practice in the Seattle office of Milliman. He joined the firm in 2013.

Professional Work Experience

Dave's experience as a healthcare consultant includes pricing and rate filing in the individual market, claims reserving, and provider contract analysis and negotiation support. Recent projects include:

- ACA Exchange rate filings in the individual market
- Provider contracting support
- Population health management analysis
- Year-end statements of actuarial opinion
- Estimation of health plan reserves

Prior to joining Milliman, Dave gained experience at a health plan in commercial pricing and filing, reserving, corporate financial projections, health care economics, and clinical informatics.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

BA, Computer Science - Washington State University
