Current Responsibility

Chuck Gamsu is a principal and pharmacy benefits expert with the SkySail office at Milliman. As a seasoned pharmacy benefits advisor specializing in business development and customer relationship management, his focus is driving efficient solutions in pharmacy pricing, contract negotiations, clinical appropriateness, and pharmacy benefits performance.

Professional Work Experience

Chuck's area of expertise includes pharmacy benefit manager (PBM) oversight, contracting, pricing strategies, procurement, clinical insights, market intelligence, pharmacy data analytics reporting, and pharmacy benefits operational performance. Prior to joining Milliman, Chuck worked as a principal of SkySail Rx. He has worked at a start-up PBM provider and a Fortune 10 PBM. In addition, Chuck is a licensed pharmacist and has worked as both a hospital pharmacist and a retail pharmacist.

Education

- B.S., Pharmacy, University of Connecticut-School of Pharmacy
- M.B.A., Health Care Management, Boston University-School of Management
