Current Responsibility

Caoimhe is an associate actuarial consultant with the life insurance consulting practice of the Dublin office of Milliman. Caoimhe re-joined the Dublin practice in 2023 after completing a placement with the firm in 2021.

Professional Work Experience

Caoimhe's experience is primarily in the life assurance field in both the Irish domestic and cross-border assurance markets.

She has worked on a variety of portfolios of business, including unit-linked business and non-linked business.

Her expertise involves valuation and financial reporting for Solvency II and non-Solvency II basis, maintaining and validating actuarial modelling systems, and other consulting work.

Caoimhe is regularly involved in the development, ongoing maintenance, and validation of actuarial models in MS Excel and Milliman Mind.

As part of an outsourced actuarial team, Caoimhe has been involved in several projects, including data validation and actuarial model developments to improve efficiency during quarterly valuation periods.

She is also keeping up to date on the areas of actuarial modelling and Solvency II, and is currently sitting her professional exams.

Education

Bachelor of Actuarial and Financial Studies, University College Dublin
