Current Responsibility

Chris Gervenak is a senior actuarial manager with the Milwaukee office of Milliman. He joined the firm in 2007.

Professional Work Experience

Chris works in Milliman's healthcare practice. His area of expertise is Medicare Advantage. Chris also has experience working with employers and health insurers.

In the Medicare market, Chris has assisted MA-PDs with strategic planning, feasibility studies, and Medicare Advantage bid preparation.

In the Commercial market, Chris has assisted carriers with pricing, reserving, cost benchmarking, and annual statements of opinion.

For Employers, Chris has assisted in calculating the liability for Other Post-Employment Benefits (or OPEB valuations).

Education

BS, Mathematics, University of Wisconsin, Whitewater
