

NIKKI HADDOCK

ASA, MAAA

Senior Actuarial Manager

nicolette.haddock@milliman.com

Main +1 312 726 0677 | Office +1 312 499 5647

Current Responsibility

Nikki Haddock is a senior actuarial manager with the Chicago office of Milliman. She joined the firm in 2016.

Professional Work Experience

Nikki's areas of expertise include prescription drug analytics, Medicare Part D analytics, and pharmacy management services. She is a seat holder with the Chronic Conditions Warehouse, a national research database that houses 100% Research Identifiable Files for Medicare and Medicaid data. Using this resource, she has worked on developing profitability analyses for drug manufacturers and research related to the Inflation Reduction Act. Additionally, Nikki assists major health insurance companies and employers in managing their pharmacy benefits, including PBM audits, evaluations, and strategy.

Professional Designations

- Associate, Society of Actuaries
- Member, American Academy of Actuaries

Education

BS, Actuarial Science, University of Illinois at Urbana-Champaign

Presentations and Publications

- Co-Author, Review of Carrot Fertility's methodology used to calculate fertility treatment performance measures and outcomes. Milliman Report, January 2025.
- Co-Author, Potential IRA interactions with Medicare Part D Risk Adjustment: Model considerations. Milliman White Paper, November 2023.
