Current Responsibility

Sylvia Hagin is a consulting actuary with the Philadelphia office of Milliman. She joined the firm in 2001.

Professional Work Experience

Sylvia's expertise is in the health actuarial field. She works with HMOs, Blue Cross/Blue Shield plans, and commercial insurers, with emphasis in the Medicare market. Her client activities include:

- Product development and pricing
- Medicare bid development (Medicare Advantage and Part D)
- Medicare Advantage risk score review and analysis
- Prescription drug formulary analysis
- Financial projections
- Trend analysis
- Claim reserve estimates

Sylvia has extensive experience with the Medicare Advantage program. She has assisted clients with Part C and Part D feasibility analyses and bid preparation. She has advised an array of plans including HMOs, PPOs, and dual-eligible and chronic SNPs. She has developed expertise in Medicare risk scores. She has provided clients a variety of risk score assistance including risk score projections and thorough review of RAPS, EDS, and chart review submissions.
