Current Responsibility

Sandra Heaslip is a consulting actuary in Milliman's Dublin office. She joined the company in 2021.

Professional Work Experience

Sandra has more than 12 years of industry experience, primarily in the life assurance field across domestic, cross-border, and international life assurance markets.

Her expertise includes actuarial valuations and financial reporting, Solvency II, risk management, capital management, financial transformation, and other consulting work.

She has worked on a variety of portfolios of business, including unit-linked business, non-linked business, and variable annuities.

Prior to joining Milliman, Sandra worked with Athora where she managed the actuarial valuations team, and Aegon Ireland where she held a number of roles in actuarial valuations, economic capital, and actuarial services.

Professional Designations

Fellow of the Society of Actuaries in Ireland

Education

Bachelor of Science in Financial and Actuarial Mathematics, Dublin City University
