Current Responsibility

Bo Heatherman is a senior actuarial analyst with Milliman's Chicago-Milwaukee-Hartford Health Practice. He is attached to GAIN's Nigeria taskforce.

Professional Work Experience

He joined Milliman in 2021 and has worked with GAIN since the program's inception. He focuses on education-related interventions, including academic faculty development, exam preparation, and curriculum certification. Outside of GAIN, he works primarily in the US commercial space with risk adjustment and the Affordable Care Act.

Professional Designations

Bo is working to attain his ASA and membership in the American Academy of Actuaries.

Education

BS, Mathematics, University of Notre Dame
