Current Responsibility

Andy Hoffman is a principal and consulting actuary in the Chicago Casualty Practice of Milliman. He joined the firm in 2008.

Professional Work Experience

Andy's area of expertise is property and casualty insurance, including loss reserving and ratemaking.

Andy has extensive actuarial experience in the analysis of medical professional liability for hospitals, health systems, and physician groups. He also has experience in commercial lines, including workers' compensation, professional liability, general liability, auto liability, and extended warranties (service contracts).

Andy's clients include Fortune 500 corporations, healthcare institutions, privately held companies, public entities and commercial insurers, and risk retention groups.
