MSC AAG CPE

Director Pensions

arthur.hordijk@milliman.com

0683649888

## Current Responsibility

Arthur Hordijk has been Director Pensions at Milliman since November 2023. He is currently working on the more strategic advice assignments with regard to the new pension reform in the Netherlands. He has extensive management experience within pension administration and insurance companies.

## Professional Work Experience

Arthur joined Milliman in 2023. He has over 25 years of experience within the actuarial and financial departments of insurance companies in various management roles.

## Professional Designations

Arthur is specialized in the life and pension area with regard to insurance companies and pension funds. With the introduction of the Dutch future pensions act (WTP), he chose to leverage his expertise in pension funds. He has a strongly pragmatic approach and is results-oriented.

## Education

- MSc Econometrics, Erasmus University of Rotterdam
- MSc Actuarial Science, University of Amsterdam
- Certified Pension Executive, Erasmus Economics & Business Executive Education
- Member of the Royal Dutch Actuarial Association (AAG)
