

DELANEY JOHNSON

Actuarial Analyst

delaney.johnson@milliman.com

Current Responsibility

Delaney Johnson is an actuarial analyst with the Boston office of Milliman's Atlantic Region Property and Casualty Practice. She joined the firm in 2021.

Professional Work Experience

Delaney's experience in property and casualty insurance includes reserving, ratemaking, feasibility studies, and data analysis. She supports the ongoing actuarial needs of numerous clients, including multiline property and casualty insurers, captives, self-insurers, and risk retention groups.

Education

BS, Mathematics, University of Massachusetts - Amherst
