## Current Responsibility

Diann Johnson is a relationship manager and defined contribution plan consultant for Milliman's Employee Benefits Administration and Consulting Practice. As a consultant and engagement manager, Diann is responsible for the client management and administration of daily valued plans. She joined the firm in 1998.

## Professional Work Experience

Diann started in the retirement industry in 1986, and has experience in both balance-forward and daily-valued plan administration. Her experience includes consulting, employee communications, plan design, plan conversions, ongoing administration, and merger and acquisition (M&A) due diligence, transition, and integration strategies.

Prior to joining Milliman, Diann worked for a national provider of banking trust systems specializing in daily-valued retirement plans. She also has more than five years of experience in human resources and corporate retirement plan management.
