

JEFFREY JONES

CISO

jeffrey.jones@milliman.com

+1 206 613 8121

Current Responsibility

Jeff Jones is the Chief Information Security Officer (CISO) for Milliman and resides in Seattle, Washington. He joined the firm in 2016.

Professional Work Experience

Jeff brings over 30 years of IT, software development, risk management, and cybersecurity experience to the CISO role. Jeff is responsible for managing the enterprise information security program that encompasses ~120 Practices in 80 cities and supports over 8000 clients and more than 500M participants worldwide. Jeff was a CISO finalist at the 2023 Seattle Orbie Awards, was featured in Profile Magazine (December 2022), and is a Founding Board member at the University of Washington Information School. Early in his career, Jeff served honorably in the United States Air Force, and subsequently refined his technical skills at IBM, AT&T, ADP, First American CoreLogic, Fidelity National, and Nordstrom.
