shyam.kolli@milliman.com

+1 4042546768

## Current Responsibility

Shyam is a consulting actuary in the Atlanta office of Milliman. He joined the firm in 2010.

## Professional Work Experience

Shyam has experience working on a wide range of health actuarial projects including pricing, reserving, and financial forecasting for both commercial and Medicare products. His clients include employers, insurance companies, and hospital and physician groups.

Prior to joining Milliman, Shyam worked at UnitedHealth Group, where he was involved with provider contract analysis, Medicare Advantage bid development, and group retiree underwriting. Shyam's recent experience includes:

- Medicare Advantage and Part D bids
- ACA and Large Group rate filings
- Contingency reserve analysis
- Actuarial aspects of annual statement work
- Stop loss pricing
- Provider contract analysis
- Budget and employee contribution development for self-insured employer plans

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

- MS, Statistics, Rutgers
- BS, Computer Science, JNTU

## Presentations and Publications

- Shyam has published several articles on Insight, including:
- CSR Subsidies: Intra-year emergence (with Aaron S. Wright, September 15, 2015)
- Risk adjustment plus risk corridors: offsetting impact (with Aaron S. Wright, January 29, 2015)
- How can CO-OPs gain market share (May 14, 2012).
