

MICHELLE KRYSIAK

FSA, MAAA

Consulting Actuary

michelle.krysiak@milliman.com

+1 312 499 5686

Current Responsibility

Michelle is a consulting actuary in the Chicago office of Milliman. She joined the firm in 2010.

Professional Work Experience

Michelle has more than 30 years of experience in the life insurance industry. Her area of expertise is within product development and pricing. Michelle currently divides her time among combination (life/long term care or annuity/long term care) product pricing, equity-indexed annuity product development, and various research project initiatives.

Prior to joining Milliman, Michelle worked eighteen years with a stock life insurance company and bank. Her work there included life and debt protection product development and pricing, valuation, and liability modeling.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

BA, Actuarial Science, University of Illinois

Presentations and Publications

Michelle has spoken at insurance industry meetings, has supported multiple research projects for the SOA, and has co-authored an article for the Reinsurance Newsletter.
