Stephanie Leary

ASA, MAAA

Associate Actuary

Current Responsibility

Stephanie Leary's focus is in Medicare Part D. However, she has worked on a wide variety of projects including Medicare Part C bids, Medicare Part D plan sponsor profitability, budget impact models, financial analyses for Medicare plans and manufacturers, reserving, contribution rate setting, and other claims data analytics on Milliman's Medicare and commercial claims databases.

Professional Work Experience

Stephanie has extensive experience in Medicare Part D financial dynamics and in SAS analyzing patients, drugs, and diseases in Milliman's Consolidated Health Cost Guidelines Sources Dataset (CHSD), IBM MarketScan database, and the Centers for Medicare & Medicaid Services (CMS) 100% Medicare Fee-for-Service (FFS) claims database that contains all Parts A, B, and D claims for Medicare FFS beneficiaries.

Professional Designation

Stephanie is an associate of the Society of Actuaries (ASA) and a member of the Academy of Actuaries (MAAA)

Education

Stephanie graduated from the University of Connecticut with a bachelor's degree in Actuarial Science.
