[jason.leurquin@milliman.com](mailto:jason.leurquin@milliman.com)

Main +1 262 784 2250 | Office +1 262 432 5140

## Current Responsibility

Jason Leurquin is an actuarial manager with the Milwaukee office of Milliman. He joined the firm in 2019.

## Professional Work Experience

Jason has served various types of clients in his time at Milliman. His main area of expertise is Medicaid-managed care rate setting and Milliman's Part D Medicare Tools.

- For Part D Medicare Tools, Jason has assisted with updating and modifying the Prescription Drug Rating Model, RxRM, and the Plan Benefit Package Tool, PBP Tool.
- Jason works with the Minnesota Division of Medicaid to develop Medicaid-managed care rates for the PMAP and MinnesotaCare programs that cover acute, primary, specialty, long-term, and behavioral health services for children and low-income populations.
- Jason works with the Mississippi Division of Medicaid to develop Medicaid-managed care rates for the MississippiCAN program that covers acute care services for low-income and disabled populations.

## Professional Designations

- Associate, Society of Actuaries
- Member, American Academy of Actuaries

## Education

BS, Actuarial Science, University of Wisconsin-Milwaukee
