

Gail N. Levi

ASA, MAAA
Associate Actuary

CURRENT RESPONSIBILITY

Gail is an associate actuary with the Tampa office of Milliman. She joined the firm in 1995.

EXPERIENCE

Prior to joining Milliman, Gail spent four years at CIGNA, where she worked in healthcare pricing, supporting dental rate development and analyzing expenses, and in individual insurance financial reporting, evaluating reserves for individual life and health products. While working in healthcare consulting, Gail has provided assistance to clients in pricing, rate filings, experience analysis, projection of healthcare costs, and cost model development. She has experience with commercial HMO, Medicaid HMO, Medicare Risk, and dental products. She has assisted HMOs, Blue Cross and Blue Shield organizations, insurance companies, hospitals, and physician groups.
