415 394-3784

Current Responsibility

Anna Maglio is an associate actuary with Milliman's San Francisco Property & Casualty Practice. She currently provides consulting services to a wide range of self-insured entities and insurance companies. Anna joined Milliman in 2019.

Professional Work Experience

Anna's areas of expertise include:

- Reserving, funding, and self-insured retention analyses for state governmental agencies, self-insured entities, and captive insurance companies
- Statements of actuarial opinion on reserve adequacy for annual statements
- Statements of actuarial opinion on rate adequacy for workers' compensation
- Probability level and present value analyses
- Retrospective rating and large deductible pricing

Prior to joining Milliman, Anna was an actuarial analyst at Zurich North America where she specialized in reserving analyses in support of the general liability business segment.

Professional Designations

- Associate, Casualty Actuarial Society
- Member, American Academy of Actuaries

Education

BA, Mathematics, University of Washington
